[S. 1488]

To authorize the disposal, without regard to the six-month waiting period, of approximately one hundred twenty-six thousand three hundred long calcined tons of refractory grade bauxite from the national stockpile.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Administrator of General Services is hereby authorized to dispose of, by negotiation or otherwise, at the fair market value thereof, approximately one hundred twenty-six thousand three hundred long calcined tons of refractory grade bauxite now held in the national stockpile. Such disposition may be made without regard to the provisions of section 3 of the Strategic and Critical Materials Stock Piling Act, relating to dispositions on the basis of a revised determination pursuant to section 2 of said Act, to the effect that no such dispositions shall be made until six months after publication in the Federal Register and transmission to the Congress and to the Armed Services Committees thereof of a notice of the proposed disposition, but in such disposition the Administrator of General Services shall comply with the provisions of such section 3, which require that the plan and the date of disposition shall be fixed with due regard to the protection of producers, processors, and consumers against avoidable disruption of their usual markets.
